DEPOPULATION

Agenda 21 & Agenda 2030

The present vast overpopulation, now far beyond the world carrying capacity, cannot be answered by future reductions in the birth rate due to contraception, sterilization and abortion, but must be met in the present by the reduction of numbers presently existing. This must be done by whatever means necessary.

I have been government GANGSTALKED since year 2000. Evidence is happening everywhere that there is a definite austerity, de-industrialisation, DEPOPULATION AGENDA that i have compiled on my website where an Orwellian police state dictatorship One World Government is being installed year by year and world population is being reduced from 7 billion to 500 million people to destroy the Old World Order.

USING ANY MEANS NECESSARY to make way for the NWO New World Order which will be a scientifically high tech advanced world with free energy devices, anti-gravity, teleportation, faster than speed of light space travel and normal marriage will not be allowed because scientists and doctors will give people

permission to reproduce children, it will be a highly controlled world where all existing problems, social, moral, economic will no longer exist WHICH I PARTLY AGREE WITH in a lot of ways but what i dont agree with is the brutal mass murder genocide of over 6 billion people to achieve this i want to live out my life in a natural way like most people do.

Ronald Reagan signed an agreement with Gorbachev to merge the soviet communist system with the democratic system, America is now the American Soviet and the European Union is the European Soviet.

QUEEN ELIZABETH'S Free Masons PYRAMID

HRH Prince Philip, Duke of Edinburgh the British Queen Elizabeth's husband he said in 1981 on the link below, "If population is not controlled voluntarily,it will be controlled involuntarily by an increase in disease, starvation and war."

BUT WAIT A MINUTE Prince Philip has never been on international TV to inform the public that over population is a problem so how can people ever voluntarily reduce the amount of children they have until the leaders of countries educate people about this problem like in China's ONE CHILD POLICY and if anyone refuses to cooperate then laws could be made to deal with people that have too many children,

HRH Prince Philip has had 33 years since his 1981 speech to educate people about over population to tell people to voluntarily have less children and he has not done it,this is incompetence on his part and shows that these ruling elites are not fully competent to be making decisions on behalf of humanity and surely its a criminal offence to threaten humanity with an increase of disease,starvation and war?

UN Agenda 21 SOCIAL ENGINEERING Immigration

The globalists agenda to destroy nationality and social culture of developed industrial countries in USA, U.K. and across Europe, British jobs are intentionally being given to Pakistani's, Indians, Muslims, Polish people through agencies set up by Common Purpose in these countries before these jobs are offered first to British unemployed.

Small British shops and Taxi companies are being bought out by the government USING TAX PAYERS MONEY then these businesses are being given to foreigners heavily subsidised by the tax payers and accommodation is also offered for these foreigners so that British society, nationality,

culture can be destroyed and also the Pakistani's and muslims are being invited to live in Europe, USA to be used as PAWNS as part of the military industrial complex terrorist agenda the globalist elites are fabricating so that race riots

will break out so that the streets can be militarised with

heavily armed police then all our freedoms will be massively restricted just like soviet USSR and WW2 Germany and then we will all be living in a brutal police state dictatorship by year 2020 then MASS DEPOPULATION will happen just like soviet USSR or north Korea.

SCAM TERRORISM

The ruling elites military industrial complex,Israeli MOSSAD,British Intelligence,CIA are going to release false flag terrorist biological,chemical attacks on major cities AND BLAME IT ON MUSLIM TERRORISTS as they did on 9/11 then trick people into recieving vaccinations to stop the FABRICATED outbreaks of contamination but the vaccines will cause

neurological brain damage causing people to be paralysed the following day and will be killing people so the more people who die or become paralysed will scare more people into recieving vaccines and they will die or become paralysed aswell and people

will not know if the FABRICATED contamination outbreak is killing them or the vaccines, only the informed people like conspiracy theorists will know what's happening.

U.N. AGENDA 21

The UN Agenda 21 plans on breaking up families and controlling all children by the state just like the former USSR, this agenda is continued by Obama.

All the pornography on the internet and in shops throughout the world is an agenda promoted by the ruling elites to destroy the family to reduce population. (see 1969 NWO Dr Richard Day Speech)

<http://www.surviveunagenda21depopulation.com/388778388>

UN Agenda 21 for Dummies: Depopulation of Planet Earth

<http://www.youtube.com/watch?v=TzEEgtOFFIM&playnext=1>

The objectives of Agenda 21 are,

At 1:28mins the abolision of private property
the restructure of the family unite, restrictions to individual freedom

At 2:18mins undermining of the family
At 5:40mins children will be cared for by the state

At 5:50mins a generation of children will be stolen by the state to indoctrinate them into accepting this new way of living as being normal

At 6:25mins a transfer of loyalty from the family to the government

At 7:40mins children will be intentionally under educated to dumb them

down because educated people consume more resources which is bad for the environment.

UN Agenda 21, all asphalt tarmac back roads are to be pulverised to make it difficult for people to get to their private property to force people into overcrowded cities, all private property is to be taken by the government including all private farms including organic farms, wild animals are to re-populate the wilds,

300 million out of 320 million Americans are to be executed in FEMA camps, all children are to be taken by the government and families to be destroyed and people can only have children if the UN Agenda 21 government eugenics programme gives you permission.

All your dreams, ambitions, freedom will no longer exist unless approved by the government.

Program

[http://www.thekeytoeternity.com/
GLOBAL_EUGENICS_AGENDA.html](http://www.thekeytoeternity.com/GLOBAL_EUGENICS_AGENDA.html)

Very good webpage song by The Moody Blues

Interview with HRH Prince Philip, Duke of Edinburgh, in People Dec. 21, 1981 titled ``Vanishing Breeds Worry Prince Philip, But Not as Much as Overpopulation."

Q: What do you consider the leading threat to the environment?

A: Human population growth is probably the single most serious long-term threat to survival. We're in for a major disaster if it isn't curbed--not just for the natural world, but for the human world.

The more people there are, the more resources they'll consume, the more pollution they'll create, the more fighting they will do. We have no option.

"If population is not controlled voluntarily, it will be controlled involuntarily by an increase in disease, starvation and war".

Address to the Joint Meeting of the All-Party Group on Population and Development and the All-Party Conservation Committee in London, March 11, 1987.

I do believe ... that human population pressure--the sheer number of people on this planet--is the single most important cause of the degradation of the natural environment, of the progressive extinction of wild species of plants and animals, and of the destabilization of the world's climatic and atmospheric systems.

The simple fact is that the human population of the world is consuming natural renewable resources faster than it can regenerate, and the process of exploitation is causing even further damage. If this is already happening with a population of 4 billion, I ask you to imagine what things will be like when the population reaches six and then 10 billion....

All this has been made possible by the industrial revolution and the scientific explosion and it is spread around the world by the new economic religion of development.

VOTING IS A GIANT SCAM to decieve the public and thats why nothing ever changes no matter who you vote for because all that matters is the ruling elites and big corporations continuing with there agenda. These ruling elite secret societies also control the media and never allow all the other political parties to get any publicity.

AGENDA 21 FOR DUMMIES / UPDATED GOALS

UPDATED March 3-2017

Agenda 21 was revised by the U.N. towards the end of 2015. I thought it wise to update this post so that the reader can have a

deeper understanding of what Agenda 21 was and is, but also how they have updated this global/fascist evil they want to perpetrate on all mankind.

This Happened In September: The UN Launched

‘The Global Goals’ – A Blueprint For A United World

[MichaelSnyder](#)

Have you heard of “the global goals”?

If you haven’t heard of them by now, rest assured that you will be hearing plenty about them in the days ahead.

On September 25th, the United Nations launched a set of 17 ambitious goals that it plans to achieve over the next 15 years. A new website to promote this plan has been established, and you can find it [right here](#).

The formal name of this new plan is “[the 2030 Agenda](#)“, but those behind it decided that they needed something catchier when promoting these ideas to the general population. The UN has stated that these new “global goals”

represent a “[new universal Agenda](#)” for humanity. Virtually every nation on the planet has willingly signed on to this new agenda, and you are expected to participate whether you like it or not. Some of the biggest stars in the entire world have been recruited to promote “the global goals”. Just check out [the YouTube video](#) that I have posted below. This is the kind of thing that you would expect from a hardcore religious cult...

'We The People' for The Global Goals

If you live in New York City, you are probably aware of the “Global Citizen Festival” that was held in Central Park on Saturday where some of the biggest names in the music industry promoted these new “global goals”. The following is how the New York Daily News described the gathering...

It was a party with a purpose.

A star-studded jamboree and an impassioned plea to end poverty rocked the Great Lawn in Central Park as more than 60,000 fans gathered Saturday for the fourth-annual Global Citizen Festival.

The feel-good event, timed to coincide with the annual gathering of world leaders at the United Nations General Assembly, featured performances by Beyoncé, Pearl Jam, Ed Sheeran and Coldplay.

And it wasn't just the entertainment industry that was promoting this new UN plan for a united world. Pope Francis traveled to New York to give the address that kicked off the conference where this new agenda was unveiled...

Pope Francis gave his backing to the new development agenda in an address to the U.N. General Assembly before the summit to adopt the 17-point plan opened, calling it “an important sign of hope” at a very troubled time in the Middle East and Africa.

When Danish Prime Minister Lars Rasmussen struck his gavel to approve the development road map, leaders and diplomats from the 193 U.N. member states stood and applauded loudly.

Then, the summit immediately turned to the real business of the

three-day meeting — implementation of the goals, which is expected to cost \$3.5 trillion to \$5 trillion every year until 2030.

Wow.

Okay, so where will the trillions of dollars that are needed to implement these new “global goals” come from?

Let me give you a hint – they are not going to come from the poor nations.

When you read over these “global goals”, many of them sound quite good. After all, who wouldn’t want to “end hunger”? I know that I would like to “end hunger” if I could.

The key is to look behind the language and understand what is really being said. And what is really being said is that the elite want to take their dream of a one world system to the next level.

The following list comes from Truthstream Media, and I think that it does a very good job of translating these new “global goals” into language that we can all understand...

Goal 1:

End poverty in all its forms everywhere

Translation: Centralized banks, IMF, World Bank, Fed to control all finances, digital one world currency in a cashless society

Goal 2:

End hunger, achieve food security and improved nutrition and promote sustainable agriculture

Translation: GMO

Goal 3:

Ensure healthy lives and promote well-being for all at all ages
Translation: Mass vaccination, Codex Alimentarius

Goal 4:

Ensure inclusive and equitable quality education and promote lifelong learning opportunities for all
Translation: UN propaganda, brainwashing through compulsory education from cradle to grave

Goal 5:

Achieve gender equality and empower all women and girls
Translation: Population control through forced “Family Planning”

Goal 6:

Ensure availability and sustainable management of water and sanitation for all

Translation: Privatize all water sources, don't forget to add fluoride

Goal 7:

Ensure access to affordable, reliable, sustainable and modern energy for all

Translation: Smart grid with smart meters on everything, peak pricing

Goal 8:

Promote sustained, inclusive and sustainable economic growth, full and productive employment and decent work for all

Translation: TPP, free trade zones that favor megacorporate interests

Goal 9:

Build resilient infrastructure, promote inclusive and sustainable industrialization and foster innovation

Translation: Toll roads, push public transit, remove free travel, environmental restrictions

Goal 10:

Reduce inequality within and among countries

Translation: Even more regional government bureaucracy like a mutant octopus

Goal 11:

Make cities and human settlements inclusive, safe, resilient and sustainable

Translation: Big brother big data surveillance state

Goal 12:

Ensure sustainable consumption and production patterns

Translation: Forced austerity

Goal 13:

Take urgent action to combat climate change and its impacts*

Translation: Cap and Trade, carbon taxes/credits, footprint taxes

Goal 14:

Conserve and sustainably use the oceans, seas and marine resources for sustainable development

Translation: Environmental restrictions, control all oceans including mineral rights from ocean floors

Goal 15:

Protect, restore and promote sustainable use of terrestrial ecosystems, sustainably manage forests, combat desertification, and halt and reverse land degradation and halt biodiversity loss

Translation: More environmental restrictions, more controlling resources and mineral rights

Goal 16:

Promote peaceful and inclusive societies for sustainable development, provide access to justice for all and build effective, accountable and inclusive institutions at all levels

Translation: UN “peacekeeping” missions (ex 1, ex 2), the International Court of (blind) Justice, force people together via fake refugee crises and then mediate with more “UN peacekeeping” when tension breaks out to gain more control over a region, remove 2nd Amendment in USA

Goal 17:

Strengthen the means of implementation and revitalize the global partnership for sustainable development

Translation: Remove national sovereignty worldwide, promote globalism under the “authority” and bloated, Orwellian bureaucracy of the UN

If you doubt any of this, you can find the official document for this new UN agenda [right here](#). The more you dig into the details, the more you realize just how insidious these “global goals” really are.

The elite want a one world government, a one world economic system and a [one world religion](#). But they are not going to achieve these things by conquest. Rather, they want everyone to sign up for these new systems willingly.

The “global goals” are a template for a united world. To many, the “utopia” that the elite are promising sounds quite promising. But for those that know what time it is, this call for a “united world” is very, very chilling.

Many of us are aware that Agenda 21 is a nefarious activity, that is global, national and local brought to us by the United Nations.

Beyond that, the majority of people are just vague on the insidiousness of this plot, or perhaps never even heard of it before. That is not an accident. Whichever category you find yourself, I trust this easy to follow video will hit home on what is Agenda 21, and why we need to act now to stop it. -W.E.
