

*What are the Goals  
of the Secret Elite Group  
the Committee of 300 Beyond 2020?*

<https://www.cia.gov/library/abbottabad-compound/4A/>

*Dr. John Coleman, November 1991*

*What are the goals of the secret elite group, the inheritors of Illuminism (Moriah Conquering Wind), the Cult of Dionysius, the Cult of Isis, Catharism, Bogomilism?*

*This elite group that also calls itself the OLYMPIANS (they truly believe they are equal in power and stature to the legendary gods of Olympus, who have, like Lucifer their god, set themselves above our true God) absolutely believe they have been charged with implementing the following by divine right:*

(1)

A One World Government-New World Order with a unified church and monetary system under their direction. Not many people are aware that the One World Government began setting up its "church" in the 1920's/ 1930's, for they realized the need for a religious belief inherent in mankind to have an outlet and, therefore, set up a "church" body to channel that belief in the direction they desired.

(2)

The utter destruction of all national identity and national pride.

(3)

The destruction of religion and more especially the Christian religion, with the one exception, their own creation mentioned above.

(4)

Control of each and every person through means of mind control and what Brzezinski call "technotronics" which would create human-like robots and a system of terror beside which Felix Dzerzinski's Red Terror will look like children at play.

(5)

An end to all industrialization and the production of nuclear generated electric power in what they call "the post-industrial zero-growth society." Exempted are the computer and service industries. United States industries that remain will be exported to countries such as Mexico where abundant slave labor is available. Unemployables in the wake of industrial destruction will either become opium-heroin and or cocaine addicts, or become statistics in the elimination process we know today as Global 2000.

(6)

Legalization of drugs and pornography.

(7)

Depopulation of large cities according to the trial run carried out by the Pol Pot regime in Cambodia. It is interesting to note that Pol Pot's genocidal plans were drawn up here in the United States by one of the Club of Rome's research foundations. It is also interesting that the Committee is presently seeking to reinstate the Pol Pot butchers in Cambodia.

(8)

Suppression of all scientific development except for those deemed beneficial by the\ Committee. Especially targeted is nuclear energy for peaceful purposes. Particularly hated are the fusion experiments presently being scorned and ridiculed by the Committee and its jackals of the press. Development of the fusion torch would blow the Committee's conception of "limited natural resources" right out of the window. A fusion torch properly used could create unlimited untapped natural resources from the most ordinary substances. Fusion torch uses are legion and would benefit mankind in a manner which is as yet not even remotely comprehended by the public.

(9)

Cause by means of limited wars in the advanced countries, and by means of starvation and diseases in Third World countries, the death of 3 billion people by the year 2000, people they call "useless eaters." The Committee of 300 commissioned Cyrus Vance to write a paper on this subject of how best to bring about such genocide.

The paper was produced under the title the "Global 2000 Report" and was accepted and approved for action by President Carter, for and on behalf of the U.S. Government, and accepted by Edwin Muskie, then Secretary of State. Under the terms of the Global 2000 Report, the population of the United States is to be reduced by 100 million by the year 2050. SEE THE PICTURE BELOW.

(10)

To weaken the moral fiber of the nation and to demoralize workers in the labor class by creating mass unemployment. As jobs dwindle due to the post industrial zero growth policies introduced by the Club of Rome, demoralized and discouraged workers will resort to alcohol and drugs. The youth of the land will be encouraged by means of rock music and drugs to rebel against the status quo, thus undermining and eventually destroying the family unit. In this regard The Committee of 300 commissioned Tavistock Institute to prepare a blueprint as to how this could be achieved. Tavistock directed Stanford Research to undertake the work under the direction of Professor Willis Harmon. This work later became known as "The Aquarian Conspiracy."

(11)

To keep people everywhere from deciding their own destinies by means of one created crisis after another and then "managing" such crises. This will confuse and demoralize the population to the extent where faced with too many choices, apathy on a massive scale will result. In the case of the United States, an agency for crisis management is already in place. It is called the Federal Emergency Management Agency (FEMA), whose existence I first disclosed in 1980. There will be more on FEMA as we proceed.

(12)

To introduce new cults and continue to boost those already functioning which includes rock "music" gangsters such as the filthy, degenerate Mick Jagger's "Rolling Stones" (a gangster group much favored by European Black Nobility) and all of the Tavistock-created "rock" groups

which began with "The Beatles." To continue to build up the cult of Christian fundamentalism begun by the British East India Company's servant, Darby, which will be misused to strengthen the Zionist state of Israel through identifying with the Jews through the myth of "God's Chosen People" and by donating very substantial amounts of money to what they mistakenly believe is a religious cause in the furtherance of Christianity.

(14)

To press for the spread of religious cults such as the Muslim Brotherhood, Muslim fundamentalism, the Sikhs, and to carry out experiments of the Jim Jones and "Son of Sam" type of murders. It is worth noting that the late Ayatollah Khomeini was a creation of British Intelligence Military Intelligence Division 6, commonly known as M16, as I reported in my 1985 work, "What Really Happened In Iran."

(15)

To export "religious liberation" ideas around the world so as to undermine all existing religions but more especially the Christian religion. This began with "Jesuit Liberation Theology" which brought about the downfall of the Somoza family rule in Nicaragua and which is today destroying El Salvador, now 25 years into a "civil war," Costa Rica and Honduras.

One very active entity engaged in so-called liberation theology is the Communist oriented Mary Knoll Mission. This accounts for the extensive media attention to the murder of four of Mary Knoll's so-called nuns in El Salvador a few years ago.

The four nuns were Communist subversive agents and their activities were widely documented by the government of El Salvador.

The United States press and news media refused to give any space or coverage to the mass of documentation in possession of the Salvadorian government, documentation which proves what the Mary Knoll Mission nuns were doing in the country. Mary Knoll is in service in many countries, and played a leading role in bringing Communism to Rhodesia, Mozambique, Angola and South Africa.

(16)

To cause a total collapse of the world's economies and engender total political chaos.

(17)

To take control of all Foreign and domestic policies of the United States.

(18)

To give the fullest support to supranational institutions such as the United Nations (UN), the International Monetary Fund (IMF), the Bank of International Settlements (BIS), the World Court and, as far as possible, make local institutions of lesser effect by gradually phasing them out or bringing them under the mantle of the United Nations.

(19)

Penetrate and subvert all governments, and work from within them to destroy the sovereign integrity of nations represented by them.

(20)

Organize a world-wide terrorist apparatus and negotiate with terrorists whenever terrorist activities take place. It will be recalled that it was Bettino Craxi who persuaded the Italian and U.S. governments to negotiate with the Red Brigades kidnapers of Prime Minister Moro and General Dozier.

As an aside, General Dozier is under orders not to talk about what happened to him. Should he break that silence, he will no doubt be made "a horrible example of" in the manner in which Kissinger dealt with Aldo Moro, Ali Bhutto and General Zia ul Haq.

(21)

Take control of education in America with the intent and purpose of utterly and completely destroying it. Much of these goals, which I first enumerated in 1969, have since been achieved or are well on their way to being achieved. Of special interest in the Committee of 300 program

is the core of their economic policy, which is largely based on the teachings of Malthus, the son of an English country parson who was pushed to prominence by the British East India Company upon which the Committee of 300 is modeled.

Malthus maintained that man's progress is tied to the earth's natural ability to support a given number of people, beyond which point earth's limited resources would rapidly be depleted. Once these natural resources have been consumed, it will be impossible to replace them. Hence, Malthus observed, it is necessary to limit populations within the boundaries of decreasing natural resources.

It goes without saying that the elite will not allow themselves to be threatened by a burgeoning population of "useless eaters," hence culling must be practiced. As I have previously stated, "culling" is going on today, using the methods mandated in the "Global 2000 Report."
