

Scientific Medical Facts are Not Supporting the FALSE GERM (Pathogen) Theory of Disease - Covid - 19!

*Even Dr. Stefan Lanka - German Virologist offers since March 2020
100 000 Euros for those who could prove the existence of a virus.
(OUTSIDE OUR BODIES).*

*They created a worldwide False Pandemic.

***Why did they plan it ... what could be behind this
Worldwide False Pandemic? Here are some THOUGHTS.***

The COVID-19 'Project' Is Planned Until 2025

*The **World Bank** shows that COVID-19 is a project that is planned to continue until
end of March 2025! So the intention is to continue it for another **FOUR YEARS**.*

While the Mainstream Media will continue to call any talk of a '*depopulation agenda*' fake news. The website Deagel.com is STILL forecasting massive depopulation for America by the year 2025. Especially for the USA. - THEY MIGHT TAKE IT OFF!

Deagel.com not only forecasting a huge drop in our population numbers by 2025 but also forecasting America to look like a 3rd world nation with our Gross Domestic Product, GDP Per Capita and Purchase Power Parity also expected to drop dramatically in just a few years. The most stunning number may be the military budget which Deagel forecasts to drop from \$637 billion in 2017, #1 in the world by far, to only \$32 billion in 2025, which would put us at #6 in the world.

So why is Deagel forecasting America to look like a 3rd world nation by 2025? They believe that the United States is about to be hit by "*a confluence of crisis with a devastating result*" that will leave America far worse off than the collapse of the Soviet Union.

With America's big cities now falling apart and young Democrats continuing to push America towards socialism, this new story from Brandon Smith over at www.AltMarket.us should be a huge red flag to all as Venezuela descends to the edge of becoming another Syria while protesters there are executed for their social media posts condemning Maduro's regime.

As has been reported time and again, the death toll of socialism numbers more than 100 million dead over the past 100 years and while America's young are highly drawn to socialism in 2019, do they even know what it is?

You see on this chart the year **2017** population is **327** million, **2025** only **100** million.

Openly admitted by the WORLD ECONOMIC FORUM

This agenda has a pretty obvious set of goals, many of them openly admitted to by the **World Economic Forum**, and some of them strongly implied by the extreme political left and the media. They include:

- 1) Perpetual pandemic lockdowns and economic controls until the population submits to medical tyranny.*
 - 2) Medical passports and contact tracing as a part of everyday life.*
 - 3) The censorship and de-platforming of all voices that oppose the agenda.*
 - 4) Greatly reduced economic activity in the name of stopping “climate change”.*
 - 5) Greatly increased poverty and the loss of private property.*
 - 6) The introduction of “Universal Basic Income” in which the government becomes the all-powerful welfare provider and nursemaid for a generation of dependent and desperate people.*
 - 7) A cashless society and digital currency system where privacy in trade is completely erased.*
 - 8) The creation of a “shared economy” in which no one will own anything and independent production is outlawed.*
 - 9) The deletion of national borders and the end of sovereignty and self-determination.*
 - 10) The centralization of global political power into the hands of a select few elitists.*
- Dr. Coleman says the following about their strategy:

“At least 4 billion useless eaters shall be eliminated by the year 2050 by means of limited wars and organized epidemics of fatal rapid acting diseases ...” - DR. JOHN COLEMAN, CIA INTELLIGENCE OFFICER. Maintain Humanity Under 500,000,000 - See the detailed webpage ...

<https://ancientmystery.weebly.com/guidestone-in-the-usa.html>

In 1980 a granite monument was erected in Georgia, called the Guidestones.

A set of 10 guidelines is inscribed on the structure in eight modern languages and a shorter message is inscribed at the top of the structure in four ancient language scripts.

1. Maintain humanity under 500,000,000 in perpetual balance with nature.

The CIA officer Dr. Coleman revealed that one of their methods to ‘maintain humanity’ is to cause ‘organized epidemics of fatal rapid acting diseases’.

Using vaccines to reduce humanity during a TED talk ... Bill Gates echoed this goal, when he literally said that new vaccines can be used to reduce the world's population with 10 – 15%!

“There are now 6.7 billion people on earth and soon there will be 9 billion. However, we can reduce that number by ten to fifteen percent if we do a good job with new vaccines, health care and birth control “. - BILL GATES

Is Covid - 19 Vaccine For Population Control?

Mike Adams - www.naturalnews.com - is a published food scientist, author of the popular science book Food Forensics and founder of ISO-accredited CWC Labs. Years ago he said the following: ***“An engineered bioweapon will be released in population centers. There will be calls for massive government funding for the vaccine industry to come up with a vaccine. Miraculously, they will have a vaccine developed in record time. Everyone will be required to line up and take this vaccine shot.”***

There is indeed a release of an engineered bioweapon, followed by a vaccine mandate, massive government funding for the vaccine industry and a vaccine that is being developed in record time. *The rest of his message is that this vaccine will slowly begin to kill millions – if not billions – of people over the course of a few years. It will be a kill-switch vaccine, designed to reduce the world's population.*
